# Apple - AirPods 4 - White

Model: MXP63LL/A | SKU: 6447384 | Release: 09/20/2024

★★★★★  
4.7 (1,155 Reviews)

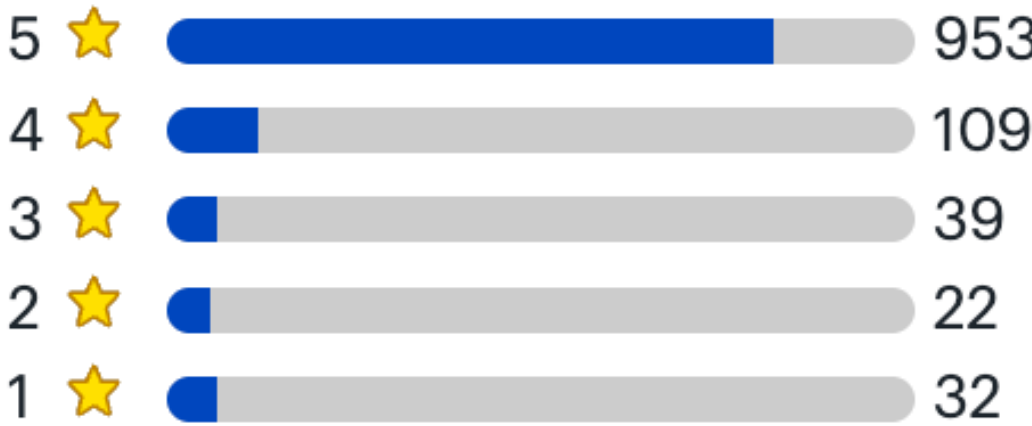

## Customers are saying

Customers love the AirPods 4 for their exceptional sound quality, comfortable fit, and long battery life. They appreciate the improved sound quality with better bass and clarity compared to previous generations. The AirPods 4 are also praised for their comfortable and secure fit, even during workouts or long use. The extended battery life allows users to enjoy up to 8 hours of usage with noise cancellation enabled, making them ideal for those on the go.
